**New Hermit for the Diocese** How often have you gone in search of something that you thought might be in a closet, possibly in the attic, or maybe in the garage, wood or tool shed? The Church as the People of God is also recipient and guardian of ancient and powerful treasures experienced throughout its evolution during the past two thousand years. These include the Gospel portraits of Jesus, the Sacraments, where the human and the divine encounter one another, and the Councils of the Church. Consecrated life, in its various expressions of living the Christian life, is also an important treasure. Consecrated life including the monastic life of women and men, religious communities of men and women, anchorites, and hermits or solitaries have all contributed to the variety of ways of living a life dedicated to Jesus Christ. On February 5, at 11 am, our Diocese will welcome Sheila O'Handley as a hermit in our diocese at Holy Cross Church in Glace Bay.

**Do you have a talent that could benefit our youth? We'd like your help!!!** The Havre Boucher and surrounding Communities are filled with so many talented people. Basic skills such as sewing, quilting, cross-stitching, photography, music, cooking and so many more!!! Are you interested in using your talent to help teach the youth of our community some new skills? This could include a one time lesson, for example, cooking a Valentine's Day treat or perhaps a couple of cooking lessons, maybe you'd like to teach how to sew a pillow, or how to crochet a scarf. Maybe you could help teach someone to play an instrument, teach some photography, some fitness activities or some darts. Maybe you have some ideas for outdoor activities. The choices are endless. Anyone who is interested in helping the youth of this community to expand their horizons can contact Tammy Melong, [melong.tammy@gmail.com](mailto:melong.tammy@gmail.com) or 234-3433. Together we can discuss age groups, class sizes, dates and times. All classes will be held at the Havre Boucher Community Centre. We are not necessarily looking for large class sizes; we want to ensure that this new venture is successful for both the children and instructors. Don't feel like you could teach a class, maybe just being there to help lend a helping hand would work for you. Again please contact Tammy.
