Season of Advent: Advent has a twofold nature: It prepares us for Christmas, when we recall Christ's first coming among us, and it is also a time when we look forward to his second coming at the end of the ages. Advent is a season of joyful expectation...During Advent... the Old Testament readings, especially those taken from Isaiah, are prophecies about the Messiah and messianic times. The selections from the writings of the Apostles present exhortations and instructions on different themes of this season. (From the Ordo 2022-23)
