For Pastor's Visits at St. Martha's Hospital: New privacy regulations at St. Martha's Hospital do not permit clergy to see a list of their parishioners who are patients in the hospital. Therefore, I will need to be informed by the family or patient themselves if the patient wishes me to visit them in hospital. My usual day for visiting is Tuesday, so please inform me by phone before Sunday Mass (234-2387, Glebe house) if someone wants me to visit them. ~ **Fr. Allan**

Prayer to St. Michael the Archangel: **St. Michael the Archangel, defend us in battle. Be our defense against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.**

Cemetery Rules: We remind everyone that our cemeteries are owned by the Church, the Catholic Episcopal Corporation of Antigonish, and laws for cemeteries are made by the parishes. Cemetery plots are **not** owned by the families of the deceased. Therefore, no one is permitted to plant trees or bushes or flowers on a cemetery plot. No one is allowed to place statues on plots, or ornaments that interfere with mowing. Gravestones are to be installed only in consultation with cemetery representatives (Clem Munroe, St. Paul's; Jack Hoben, St. Lawrence; Dannie Grady St. Francis). And if there is already a grave stone (or stones on a double plot), no one is permitted to place another gravestone on the same plot to mark the burial of remains in that plot. Please respect and follow our laws for the order and beauty of our cemeteries.

Cemetery Fees: Parishioners are reminded of the following policies passed by parish councils, and approved by the pastor regarding cemetery fees

Conscience Protection of Nova Scotia Doctors: Imagine a healthcare system where death is considered a therapeutic treatment. *Imagine being a Christian doctor in that system.* Imagine being told by your medical regulator that you are abandoning your patient if you don't make arrangements for them to get an assessment for euthanasia. That healthcare system is in Nova Scotia today. The Nova Scotia medical regulator has a policy that forces physicians to refer patients for euthanasia and other controversial procedures. *Forty courageous Christian physicians* have told Nova Scotia's medical regulator that they cannot abide by this policy. When they are at their most vulnerable, people may choose euthanasia if they don't have suitable options to live. We need physicians who will go the extra mile to ensure their patients are connected with the support and services they need. Nova Scotia physicians are too important to patient care to be sacrificed for the sake of an unnecessary policy. Write Nova Scotia regulator today to tell them you want this policy to be changed: <https://bit.ly/NSRegulator24>. (Copies of a draft letter to the Nova Scotia Government are also available at the Church entrance.).
