Planning Your Funeral Arrangements seems more necessary at present than ever before. It is a good idea to write down your wishes to have a **wake (or not)**, a funeral Mass in the Church **“definitely essential for any Catholic whether you want your body in a casket or cremation”** and even to choose the Scriptural Readings, music (songs should be religious, not secular) and your readers. A copy of your funeral plan could be given to a **trusted family member or friend, and to the parish priest.** We are seeing more and more cases where devout Catholics in our area and elsewhere are not having a funeral Mass or even a proper burial because their unchurched adult children show no regard for what is proper in keeping with the faith life of their deceased parent, who would certainly have wanted a funeral Mass if they were able to speak. Another area we should consider: do you want the remains of your children buried in your grave? And how many remains in one grave are appropriate? If you have thoughts on this matter, please talk to Fr. Allan.

St. Paul’s Church Roof Fund: The cost of our new roof was \$31,206.25, a significant hit on our operating fund. If you wish to contribute above and beyond your usual contribution, please put your donation in an envelope with your name, envelope number, and marked Roof Fund. Thank you!

Hospital Visitations: St. Martha’s Hospital is not allowing any casual visits by anyone, including clergy unless it is an emergency. Clergy have to make an appointment through the pastoral care department to see a patient. ~ **Fr. Allan**
