Why Buy A Columbarium? A columbarium is a great investment, there is less maintenance, maximize available land. A full burial rate is increasing, and cremation rates are also increasing. A columbarium is wheel chair accessible, it provides a physical location to visit and reflect. If you think you may be interested to sit on a committee to try to get a columbarium set up in our parish of St. Paul's please phone Leonard at (902) 872-0044 or Gary at (902)442-1932.

Monthly payments will be $821.30 per month for four years. Donations to help us pay for this loan can be made to St. Lawrence Parish and receipts will be issued that can be used as a charitable donation on your income tax return. We are grateful to all who support St. Lawrence Parish.

Hospital Visitation: Because St. Martha's Hospital and the other hospitals no longer provide lists of patients to pastors, clergy and lay ministers, we have no way of knowing when our parishioners are in hospital. To visit a parishioner, I therefore need that person or one of the relatives to tell me they would like to be visited. ~***Fr. Allan***

Mass Intentions 2026, we respectfully ask that if you are asking for a Mass for deceased loved ones, you limit such requests to **one Mass per person per year**, preferably on the anniversary of their death (or near to that date if the actual date has been booked ahead of time). The problem for some years now is that we have had a large backlog of Masses to be said for more recently deceased people in our 3 parishes. (In some cases there may be 20 or 30 Masses to be said for a person, but few places to fit them in). Thank you for your cooperation.

What's Happening at CORAH: Enjoy our regular weekly programs, including **CORAH Café** every Wednesday and Friday, **Crafternoon and Scrabble Club** every Thursday, **Meditation** on Tuesdays, **Chair Yoga** on Wednesdays, and **Tai Chi in Creignish** on Thursdays.
